Laredo International Airport (LRD) will set its new Triennial FAA Airport Concession Disadvantaged Business Enterprise (ACDBE) goals for its upcoming concession opportunities in food, retail, gift and advertising concessions as well as for upcoming rental cars contracts for federal fiscal years 2020-2022.

Anyone having information concerning the availability or disadvantaged and non-disadvantaged businesses and the effects of discrimination on opportunities for ACDBEs is welcome to attend as we are providing opportunities for consultation with Minority, Women and Disadvantaged Business Enterprises (MWDBEs), Community Organizations, Trade Organizations and other officials or organizations. We will share our efforts to establish a level playing field for the participation of MWDBEs on Airport Concession Contracts.

We value your input and hope that you will attend.

PRIME CONCESSION OPPORTUNITIES

Any Prime Concession looking for MWDBEs should take advantage of this opportunity to be present and represent your company.
